FARMERS UNION CONVENTION IS SNYDER'S GUEST

DELEGATES HERE FROM ALL PARTS OF TEXAS—INTERESTING BODY OF MEN

The Wichita Valley District Farmers Union is in session here for Thursday, Friday and Saturday. Delegates are here from practically every county from Galveston to New Mexico and from Coleman, Tex., to Amarillo. These men are civilian statesmen. They are promoting the industrial progress of Texas. They represent the ground state of Texas independence.
Delegates began to come in Wednesday from the Panhandle country and from many points in Central West Texas.
The Thursday morning trains brought hundreds of others.
Secretary J. C. Webb came in from Seymour Wednesday and President Courtney arrived from Hamlin Thursday morning.
Col. F. C. Webster of the marketing department arrived from Austin Thursday, as did also E. P. Shropshire of Houston, who is connected with the warehouse department. Mr. Shropshire is accompanied by his wife.
President Courtney arrived Thursday on the R. S. & P. and the convention was opened at 11:15 at the Park Auditorium.
President Courtney said he was glad the convention could be held in Snyder. It gives them a chance to see the town they have heard so much about. He thinks the Lord was in a happy frame of mind when he made Scurry county—with the broad expanse of rich prairie, its meandering creek, its groves of timber and its beautiful supply of water and the people have made judicious use of all these gifts.
Mayor E. F. Smith made a brief, but pointed and well worded address of welcome. To this Secretary J. C. Webb responded in a happy vein.
Hon. Fritz H. Smith made a fine address on the objects and achievements of the order and Mr. L. C. Fields followed with an address. Albertson followed with an address suggesting.

INTERSCHOLASTIC ATHLETIC MEET HELD SATURDAY

A GREAT EVENT IN LITERARY AND ATHLETIC CONTENTS IN SNYDER

It was Snyder's pleasure last Saturday to entertain the Scurry County Interscholastic League. There was a great crowd present of teachers and pupils from a majority of the schools in the county.
The first event came in Prizer night at the Court House in the way of a contest in declamation.
The Senior Class in this contest was represented by Garner Hitebeon and Jewell Watts of Snyder and Miss Coker of Hernaligh. The Junior division by Wraymond Sims and Bessie Ruth Bales of Snyder and Trudina Baler of West Palm. The winners were Misses Jewell Watts and Trudina Bales. The contestants all did well and showed a nice degree of talent and careful training. It was an enjoyable affair. After these exercises the visitors and homefolks were invited to a social reception at the Woodman hall where a pleasant evening was spent in getting better acquainted.
The people of Snyder opened their homes to care for the comfort of the visitors while here.
The first event Saturday was a spelling contest held in the District Court room and a great crowd came to witness these important exercises. It is gratifying to note that the pupils in Scurry county are good spellers. There were fifteen spellers in the Junior class. This exercise was open to all pupils of the county who would take part and it was a bit surprising that so few responded. Miss Black gave out the words, while Guy Casey, Mrs. C. H. Buchanan and Albert Bullock served as the committee of judges. It took 45 minutes for this class to spell down. Morena Morrice, of Dumas was the champion of this contest and Flor Worley of Camp Springs was second.
A class of fourteen senior pupils formed the next class and after a contest of 40 minutes. Miss Ada Dixon of Snyder was first runner up and Miss Mrs. Lemons of Crowder was second.
The field sports make in the afternoon. These exercises were held on the Main lot. The said sports was so arranged that the people went to see the fun and the boys were in good health for the occasion. Mr. Hunt and Mr. Appleton had charge of this department and kept things moving.

HON. F. C. WEINART SPOKE LAST NIGHT AT COURT HOUSE

LARGE CROWD HEARS ADDRESS, HAS GRASP ON AGRICULTURAL NEEDS.

Hon. F. C. Weinart of Seguin, connected with the State Warehouse and Marketing Department, addressed a great crowd of people in the District Court room last night. It was a masterful presentation of facts, figures and argument to show that the success of agriculture depends on organized, systematic management by people and state.
The Ex-Senator was introduced by F. I. Townsend of Snyder, who rehearsed the legislative activities of Col. Weinart in the interest of the farmers of Texas, and said that he is a man who stands in the front for honesty and ability and the people of Texas would be doing a good work to elect him to the office of governor of Texas. This remark evoked tremendous applause.
The Signal hopes to next week print the full text of Col. Weinart's speech.
